

Drivers Ed

Merit is excited to partner with Drive Fit to offer a permit test workshop as well as the driver education course. Drive Fit will help your student from start to finish to their license. To see the steps on how your student can get their license watch their video here:

<https://youtu.be/6lljG4vhQLU>

If your student does NOT have their permit yet please plan to attend one of their driver permit test workshops. You can watch this video to understand how to get your permit and use the link below to find times and locations that work for you:
